

Introduction to Contact Courses - Summer 2022

England Rugby's Introduction to Contact ("Kids First Contact") courses are aimed at those delivering XRugby (our reduced contact format), those new to delivering contact rugby or those supporting delivery of the contact game. England Rugby recommends that anyone delivering contact rugby is suitably qualified and the Kids First Contact course is the minimum level expected.

Courses are 6-hours and cover how to safely introduce and referee the tackle, scrum (3 player scrum) and the contact areas with modules on player safety, refereeing and core values.

Courses are **FREE** and can be booked via the links below.
