(b) Age Grade Codes of Practice, available at www.englandrugby.com/participation/coaching/age-grade-rugby/codes-of-practice

(c) Half Game Rule FAQs, available at www.englandrugby.com/participation/coaching/age-grade-rugby/half-game

15.1 General Regulation and Playing Principles

15.1.1 Regulation 15 applies to the playing, training and coaching of all variations of rugby for all age groups up until and including Under 18s, including Under 19s playing down into Under 18s rugby (‘Age Grade Rugby’). This Regulation 15 applies to both genders unless indicated otherwise.

15.1.2 A player’s age grade is determined by their age at midnight on 31st August at the beginning of each Season and that age grade applies for the whole Season. Players must play in their own age grade unless permitted to play outside their age grade in the limited circumstances set out in these regulations.

15.1.3 Players and Match Officials must comply with the World Rugby Laws of the Games, subject to any permitted Law Variations set out in Appendices of Regulation 15 and such other Law trials and variations as the RFU may adopt.

15.1.4 All Age Grade Players must be registered on the RFU’s online Game Management system (GMS) within 45 days of them first joining the Club.

15.1.5 All U7, U8, U9, U10, U13, U14, U15, U16, U17 and U18 Age Grade players must be registered annually on the RFU’s online Game Management system (GMS).

Note: Annual age-grade registration is being incrementally rolled out across all age grades from Season 2020-21 to Season 2021-22.

15.1.6 Constituent Bodies and/or event organisers may require Registration cards and copies of any special dispensations issued to be taken to each match or festival. Team managers must produce these documents for inspection by the opposition or Match Officials if requested.

15.1.7 Disciplinary matters relating to Age Grade rugby shall follow the procedures set out in Appendix 6 of RFU Regulation 19.
15.2 Combining of Age Grades

15.2.1 Certain age grades are permitted to be combined together for training and playing as set out in the table at Regulation 15.5.

15.2.2 If Age Grades are being combined, the following conditions must be met:

(a) the school or club does not have a sufficient number of players to make up a team in the single age grade;
(b) the school’s principal or the club’s Constituent Body provides written approval (such approval to be valid for up to one season only);
(c) no more than half the players on the pitch at any time can be from the older age grade;

(e) the provisions of Regulation 15.5 are followed in relation the U12 and U13s girls.

15.3 Playing Up

15.3.2 If players are playing up, the following conditions must be met:

(a) in each case an appropriate assessment is carried out (and documented) by the club/school/college. Best practice on carrying out an appropriate assessment is set out in the Code [link to code available at www.englandrugby.com/participation/coaching/age-grade-rugby/codes-of-practice];
(b) in respect of club rugby, approval is obtained from an individual who has parental responsibility for the player;
(c) in respect of school or college rugby, approval is obtained from an individual who has parental responsibility for the player (who may be the principal in loco parentis); and
(d) in respect of school or college rugby for U16s and above, the individual who has parental responsibility for the player (who may be the principal in loco parentis) is informed that it is possible that this dispensation may result in the player playing with and/or against one or more U19 players who are playing down in accordance with Regulation 15.

15.4 Playing Down

15.4.1 Certain age grades are permitted to play down one or two age grades for training and playing if recommended by the player’s club, college or school as set out in the table at Regulation 15.5 and only in the following circumstances:

(a) the player must be in a younger academic year at school/college than the player’s academic birth year; or
(b) the player’s safety may be compromised due to their small stature in comparison to other players in the same age grade or due to a developmental or behavioural issue.

15.4.2 If players are playing down an age grade, the following additional conditions must be met:

Further guidance as playing times and durations for single fixtures, festivals,
tournaments and coaching and training sessions are set out in the Guidance available

15.11.2 No extra time is permitted in any match except that added for injury time.
15.11.3 Matches must be brought to an end if:

(a) at Under 7s to Under 13s the try difference rises to more than six; or

15.12 Half Game Rule

15.12.1 Other than set out in Regulation 15.12.2, all clubs, teams, schools and colleges must ensure that each player selected in every match day squad plays at least half of the Available Playing Time. This requirement is mandatory across the entire age grade game and in respect of all contact and non-contact age grade matches, including 7 a-side matches and festivals/tournament matches.

15.12.2 In respect of the U18 Academy Competition only, all clubs must ensure that each player selected in every match day squad plays at least 20% of the Available Playing Time.

15.12.3 ‘Available Playing Time’ means the total amount of time allocated to a particular match (or matches) by RFU Regulations, any competition specific regulations or by the coaches of the playing teams (in circumstances where those coaches have agreed to play a shortened match). Any stoppages that may occur during a match are not to be taken into account when calculating the Available Playing Time. For example, where a match is 70 minutes long, the Available Playing Time is 70 minutes and each player must receive a minimum of 35 minutes playing time under the Half Game Rule. Where a team is participating in multiple matches in one day, the Total Available Playing Time will be the total number of minutes allocated to all matches played by the team on that day; and in all cases (a) includes playing time spent off the pitch due to a temporary injury or yellow card and (b) excludes playing time that would have been available had a match not be abandoned or shortened due to bona fide reasons or in accordance with Regulation 15.11.3.

15.12.4 Regulation 15.12.1 will not apply in the event that a player is permanently removed from the match:

(a) due to an injury incurred during the match;
(b) as a result of a bona fide risk of injury; or
