

MITSUBISHI MOTORS RUGBY LEADERSHIP NETWORK

“Working alongside England Rugby to develop a programme which will help volunteers lead their clubs forward, is a great privilege.

The importance of a well-managed community game has never been so important to help steer clubs through these challenging times and beyond.”

WHAT IS THE LEADERSHIP NETWORK?

The Mitsubishi Motors Rugby Leadership Network is an exciting and unique opportunity to acquire valuable skills as well as gain access to key RFU resources. To ensure our clubs are fit for the future and self-sustaining, we are looking for aspiring rugby leaders who can take their club to the next level.

As part of this programme you will also attend a special RFU hosted event which will provide an opportunity to share your experiences. The network is open to rugby leaders over 18 years old volunteering within a rugby club or Constituent Body.

Applications close **8th February** and you will be notified by 26th February if you have been successful.

If you require any further details, please contact LeadershipAcademy@RFU.com.
