

# ENGLAND RUGBY CLUB HUB: USER GUIDE

England Rugby Club Hub is an online platform designed as a one stop shop for rugby related products for the rugby community to access at competitive rates. The hub has transactional capacity enabling a club to buy a wide range of products from a number of suppliers in one purchase, minimising admin work and supporting budget management.

The hub also hosts England Rugby Partner offers for the rugby community to access. Some offers are in promo code format, some are multi-buy discounts and some offer the chance for quotes from regional representatives.

The hub is not a retail store; it's a group buying platform designed to support a community that has consistent product requirements. Many items are custom made or supplied in bulk.

Users are required to provide their unique RFUID reference or their club or institution reference number to verify they are an active member of the rugby community. This can be found on your GMS homepage or any emails received direct from the RFU or on your coaching, referee or club player insurance paperwork.

## How to register
