# WELCOME FROM THE RFU PRESIDENT

Welcome on this celebratory May weekend, over 500 teams competing across 28 competitions having now brought our Papa Johns Community Cup to prestigious venues for the finale.

At Twickenham, Sixways, The Darlington Arena and Shaftesbury Park teams are to be congratulated for battling through against often unaccustomed opposition. The matches have given a great deal of enjoyment and competitive opportunities to many as the season nears its end.

Closely fought encounters and games at new locations, the chance to meet new rugby friends in clubhouses visited has all been a big part of these Papa Johns encounters and now these finals are reward for all the endeavour and hard work.

This second season of the Papa Johns Community Cup has brought the kind of camaraderie and enjoyment for which rugby is famous. And my thanks go to all the players, coaches and managers and especially all the match officials involved.

I would also particularly like to thank Papa Johns the title sponsor for making it all

possible and the venues hosting this finals weekend.

I hope everyone enjoys the rugby and the fact that as finalists they have achieved so much already.

## **Rob Briers**

*President, The Rugby Football Union*

# WELCOME FROM PAPA JOHNS

Everyone at Papa Johns would like to welcome you to today's Papa Johns Community Cup Finals. As we reach the climax of these competitions, we couldn't be happier to be celebrating the strength of the community game in prestigious rugby locations up and down the country.

At Papa Johns, we want to help ensure the values of grassroots rugby are strong, promoting teamwork, respect, enjoyment, discipline, sportsmanship, inclusivity, and healthy competition. We want to champion active lifestyles regardless of age or ability and show that, if you want that delicious post-training session slice of pizza, it's better to #EARNIT.

As England Rugby's Official Pizza and Takeaway Partner, and as proud title sponsors of the Papa Johns Community Cup, it's

been great to see the skill and passion on show throughout this year's tournament. So, what are you waiting for? There's no better time for your local club to join the excitement of England's biggest amateur rugby competition. We would like to wish all teams the best of luck for the finals and cannot wait to see the drama unfold.

Enjoy the action!

## BRUNEL UNIVERSITY RFC

Brunel University Rugby Football Club is the rugby union club of Brunel University London. The rugby club caters for all standards of play. Their partnership with Ealing Trailfinders provides a comprehensive pathway for elite players. The club's support from the RFU cluster officer and county development team ensure that there is a place for all standards.

The side that has competed in the Papa Johns Cup is comprised mainly of freshman players. Rugby has been played at Brunel University London, or one of its predecessor colleges, since 1891. The club has appeared at Twickenham numerous times in the various forms of the University Championships and Middlesex Sevens finals, although this will be the first appearance in an RFU Cup competition final.

## OLD RUTLISHIANS RFC

It is a very happy coincidence that the appearance of Old Ruts at Twickenham should happen during their centenary season, a landmark shared with the opening of their grounds at Poplar Road in Merton Park, SW London where they still play to this day.

This will be the club's second visit to Twickenham, following an extraordinary run in the Middlesex 7s in 1955 which only ended in a narrow defeat to Llanelli in the quarter finals. Very much a community club, Old Ruts put out two and often three senior sides on a Saturday as well as a senior women's XV, with hundreds of youngsters, girls and boys, playing Kids First and Juniors on

a Sunday across Surrey. They have really enjoyed their Cup run this season and thank all involved for giving their players and supporters the chance to make memories that will last a lifetime.

## LONGLEVENS RFC

Longlevens Rugby, founded in 1954, is located in the vicinity of the city of Gloucester and in the shadows of Kingsholm. The club has three senior teams, mixed ability rugby, walking rugby plus teams at all junior ages including girls' teams.

Longlevens has a proud history of producing many players who went on to play at the highest level and Gloucester Rugby once put out a 1st team where all but one of the pack originated at Longlevens. More recent accolades have gone to Sam Underhill, Tom Griffiths and George Barton. Cup honours include winning the Junior Vase Final at Twickenham in 2014, and more recently their 2nd team won the Combination

Junior Cup in 2022, with the 1st team winning the Combination Senior Cup and Papa Johns Plate in 2023. This season the 1st team has been promoted to Regional 2 and the 2nd team has consolidated in Counties 3.

## WIDNES RUFC

Founded in 1924 as the Widnes Secondary School Old Boys RFC, the club became Old Widnesians RFC before going open in 1959. Their home since then has been Heath Road, which has some excellent playing and social facilities.

The club currently run three senior teams, and over the last two years has successfully re-invigorated the mini & junior sections with teams at most younger age groups. In 2023/24, the first team finished top of Counties 1 Lancashire & Cheshire to earn promotion into Regional 2 North West next season. They also reached the semi-final of the Lancashire Trophy. The second and third teams both compete in the Halbro

North West Leagues. The Junior Colts ended their season by winning the Under 17s Lancashire Trophy and the Halbro NW Colts Junior Plate.

# NORTHAMPTON OLD SCOUTS RFC

The club originated in 1926 from a group of Rover Scouts. Nomadic during the early years, since settling into their current home at Rushmere Road during the 1960s, the club has gone from strength to strength and during the 1970s, their mini and junior section was formed.

The club can boast former players in RWC winners Ben Cohen and Steve Thompson; British and Irish Lion Courtney Lawes and Northampton Saint Ollie Sleightholme. Not only do they produce players for the Saints, England and the Lions, their whole match day squad today comprises 16 players who have also come through the M&J ranks of the club, something of which

they are hugely proud of. Today's final is by far the biggest achievement for Old Scouts to date, not least for their longest serving captain Jordan Dolman who is stepping down after seven seasons.

## SOUTHEND RFC

Southend Rugby Football Club has a long and proud tradition, formed in 1870 by Admiral Charles Theobald a year before the RFU was formed.

In the modern era the club has been as high as the National Leagues and has always been one of the leading clubs in the Eastern Counties. The First XV was rebranded the Saxons in 2014 after the grave of a Saxon king was discovered near the rugby club. With now nearly 1000 members, including, mini and youth members, a women's team, four men's teams and a SouthSEND team (Special Educational Needs and Disability), this season the Saxons have won 24 out of 25 games including winning the league

title and getting to the final of the Papa John's National Trophy final today.

## HEATH RUFC

Heath RUFC, known previously as Heath Old Boys RUFC, encapsulates nearly a century of community and sportsmanship rooted in Halifax, West Yorkshire. Beginning unofficially in 1927 when Heath Grammar School switched from football to rugby, the club was officially established in the 1928/29 season.

Milestones include overcoming local rivals Old Crossleyans in the 1930s, sharing grounds in wartime, and celebrating victories such as the Powergen Junior Vase at Twickenham in the 2001/02 season. The club disbanded in 1955 due to lack of support, and a tragic accident in 1987 saw the loss of three longstanding committee members. But remarkable comebacks and club improvements saw the expansion of the new clubhouse in 2013, hosting a team from Syracuse University in 1973 and surviving

the 2015 Boxing Day Flood. Heath's resilience saw them navigate the challenges of the coronavirus pandemic, continuing to upgrade facilities and support community activities. Commitment from players, coaches, officials and volunteers is unwavering driving the club from Level 7 to Level 5, with some of the best rugby seen at North Dean.

## BARNSTAPLE RFC

Barnstaple Rugby Football Club, founded in 1877, has three senior teams: the Barnstaple Chiefs, Athletic, and the Buccaneers. This season, both Athletic and the Buccaneers achieved remarkable success by securing league and cup doubles.

Situated just a short walk from Barnstaple town centre at Pottington Road, Barnstaple takes pride in being a community club. The majority of players in the senior teams are local lads who have progressed from a robust junior section, which consistently attracts high numbers each season. These talented juniors transition into the senior teams via the Colts pathway. Notably, Barnstaple's 1st XV, The Chiefs, have maintained a presence in tier 5 and continued to compete at

this level until the 2015-16 season. In that season, they achieved a significant milestone by earning promotion to National League 2 South, marking the highest level the club has reached in its league history to date.

## OLD ELTHAMIANS

Old Elthamians have recorded the first perfect season in their 113-year history, less than two years after the club almost folded during the pandemic. Supported by an outstanding youth section which has provided 27 of the 35 players who have featured in the first team during the record-breaking campaign, OEs' young squad, with an average age of only 21, has gone from strength to strength, storming to the Counties 3 Kent title with 18 successive victories, racking up 874 points and 148 tries in the process.

Continuing their impressive form in the Papa Johns Community Cup, a superb semi-final victory at previously undefeated Dartmouth saw them reach Twickenham. Director of Rugby Gavin Lach said: "We were forced to build a squad from scratch so

what the lads have achieved this season has been nothing short of incredible. Most pleasing is that many of our squad have come up through our youth section. It's a very young squad of home-grown talent and will only get better with more experience.

## WIGAN RUFC

Wigan RUFC, established in 1913 as Wigan Old Boys, lies in Douglas Valley, on the edge of Wigan. The 1st XV competes in the ADM Lancashire League structure. This season saw them gain promotion and winning the league cup.

There is also a 2nd XV and recently reformed Vets side (The Colliers). The flourishing junior section has over 200 youngsters representing the club and the Senior Colts lifted the Frank Morgan Cup three weeks ago. The Head Coach is former Scotland International Martin Scott, assisted by Darren Fletcher, with Club Captain Samuel Gee coming through the junior ranks before embarking on a professional career in rugby league and following in the footsteps of

his Grandad (Jon Gee) who captained the club in the 1970s. Club President is Mike Singer who represented the club into his early 50s before a broken leg brought his playing days to a premature end.

## SHEFFIELD TIGERS WOMEN

Sheffield Tigers Women's Team, on the edge of the Peak District was founded in 2021 by two friends who had big intentions to grow women's rugby in Sheffield. Charlie Mucklow and Phillipa Mills put their heads together and started something truly special.

After spending a year of trying to muster some friendly games, they were accepted into NC2 North (West) in the 2022/23 season. They found their feet with competitive rugby and loved it (despite spending most of their time across the Pennines and not on Yorkshire soil). They finished in the top half and knew that things would only get better. With this, they transferred to NC2 North (East) and have

again finished towards the top. They entered the Papa Johns Cup in the simple hope of playing more competitive rugby games - never dreaming they would make it to this point.

## THURROCK LADIES 2ND XV

The T-Birds rose up the leagues over five seasons, winning the title seven out of nine seasons in Championship 1. With the introduction of the second team, the club now caters for all levels of rugby, from girls to seniors. Their home ground, Oakfield, is their fortress, having lost just twice at home in the last nine seasons. For the T-Birds, it is still about fun, the T-Birds still know how to party and are a very sociable and tight group of friends.

Their main aim is to be the best team in the country outside of the PWR and, with the support of the club, they have a formidable off field set-up, boasting six coaches, a commercial manager, medical team, social media manager and full management structure. Both the First and Second team have a full complement of coaches and the squad train together weekly.

This season both their First and Second teams won their respective leagues, with the First team winning the Championship and the Second team securing promotion, meaning they will now compete at NC1 level next season.

## LICHFIELD LADIES

Formed in 1874, Lichfield Rugby Union Football Club is one of the oldest clubs in England and has three senior men's teams, two senior ladies' teams with, a minis and junior section, mixed ability teams, and boys and girls teams across all abilities and age groups.

Lichfield prides itself in the nurturing of players through their minis and junior section to the adult game evidenced by their senior teams being composed of upwards of 80% homegrown players on match days.

Lichfield RUFC were pioneers of the women's game from the 1990s through to the present day where both their First and Second teams are currently champions of their respective leagues. Lichfield Ladies have provided countless players

who have gone on to compete at the highest level of the game.

2024 marks the club's 150th Year and a win today would further add to the celebrations of this milestone achievement.

## OLD ALBANIANS LADIES 2ND XV

The Saints were formed in 1989 at St Albans RFC, playing in the Premiership in 97/98. In 2003, they migrated to Old Albanian RFC taking their 'Saints' nickname with them. The Junior Saints were launched in 2007 while for seniors further Premiership seasons followed in 10/11 and 11/12. On the brink of entering our 35th season, the club now boasts two senior women's teams, and a thriving junior section with four junior girls' teams.

They are proud to have been home to multiple international stars, including World Cup winning prop, Jane Everitt, former Red Roses Sarah Mckenna and Kelsey Clifford, as well as a host of players representing other nations at senior and junior level across 15s and 7s including

Scotland, Ireland, Italy, Netherlands, Sweden and Hong Kong.

Saints' 1st XV returned to Championship South 1 in 2019, and their 2nd XV were relaunched in 2020. Since re-entering the leagues, Saints' 2nd XV have won back-to-back promotions, culminating in entry to Championship 2 this season.

## THURROCK LADIES 1ST XV

The T-Birds rose up the leagues over five seasons, winning the title seven out of nine seasons in Championship 1. With the introduction of the second team, the club now caters for all levels of rugby, from girls to seniors. Their home ground, Oakfield, is their fortress, having lost just twice at home in the last nine seasons. For the T-Birds, it is still about fun, the T-Birds still know how to party and are a very sociable and tight group of friends.

Their main aim is to be the best team in the country outside of the PWR and, with the support of the club, they have a formidable off field set-up, boasting six coaches, a commercial manager, medical team, social media manager and full management structure. Both the First and Second team have a full complement of coaches and the

squad train together weekly. This season both their First and Second teams won their respective leagues, with the First team winning the Championship and the Second team securing promotion, meaning they will now compete at NC1 level next season.

## CHELTENHAM TIGERS WOMEN

Founded in 1989, Cheltenham Tiger's Women have enjoyed almost 35 years leading the development of women's rugby in Gloucestershire. Affectionately dubbed "the Tiger's way", this heritage helps shape the club we are with family values, hard work, fun and respect driving our performance culture.

The club's two senior sides compete at levels 2 and 3 of the RFU women's league structure. Enjoying strong links to both Hartpury and Gloucestershire Universities as well as PWR Champions Gloucester-Hartpury, they work together to create a clear player pathway for athletes in Gloucestershire.

Recent successes include their 1st XV being crowned Championship Winners for the second

consecutive time last year at Twickenham alongside their 2nd XV winning the Papa Johns Intermediate Cup. A spectacular ending to the season for the Club and Women's section - Double Twickenham Winners 22/23!
