

# FACILITY REOPENING CAR PARK CHECKLIST

Work through our checklists for guidance on how to;

- make changes to facilities to help prevent the spread of Covid-19
- re-open facilities safely & efficiently

## PREPARE THE SITE

- Check for any degradation of the car park surface due to hot or wet weather conditions during lockdown

### Advice, regulations, and insurance

The Health and Safety Executive <https://www.hse.gov.uk/> provides regulation and guidance on health and safety in the workplace. Its web pages include special advice related to COVID-19, details of health and safety related laws, plus advice on how to manage risk.

## SOCIAL DISTANCE

- Ensure adequate spacing within the car park by marking out alternate spaces
- Open up any overflow or additional parking provision you have available
- Provide a one-way route from the car park to and from the clubhouse and pitches
- Provide clear signage in the car park to direct visitors and outline any changes in arrangements
- Stop people parking directly beside the clubhouse
- Ensure there is a clear route to and from the clubhouse and pitches

## HYGIENE

- Ensure hand sanitiser is available at appropriate points and that stock levels are sufficient to regularly replenish
- Use signs and posters to build awareness of the need to avoid touching your face and to cough or sneeze into your arm
