

RFU Leadership Academy for future Leaders in the Women and Girls Game

The RFU Leadership Academy has been designed to give new or aspiring rugby leaders a solid foundation for their development with units covering a variety of topics from leadership to business planning & planning change.

The Academy facilitates networking opportunities to allow participants to share experiences and solutions on similar issues under the guidance of a mentor/performance coach.

This National Leadership Academy is a unique opportunity for the leaders and future leaders of the Women and Girls game to come together through a leadership and management programme to drive the game forwards.

Duration & Time Commitment

The course runs over a rugby season.
