

Work through the good practice checklists below and consider ways in which the club could; **1.** make changes to facilities to help prevent the spread of Covid-19; and **2.** open facilities safely & efficiently

PREPARE THE SITE

- Check for any degradation of the car park surface due to hot or wet weather conditions during lockdown

ADVICE, REGULATIONS, AND INSURANCE

HYGIENE

- Ensure hand sanitiser is available at appropriate points within the car park and that stock levels are sufficient to regularly replenish
- Use signage and posters in the car park area to build awareness of the need to avoid touching your face and to cough or sneeze into your arm

SOCIAL DISTANCE

- Implement traffic flow systems and separate entry/exit routes where possible.
- Ensure adequate spacing within the car park by marking out alternate spaces
- Open up any overflow or additional parking provision you have available
- Provide a one-way route from the car park to and from the clubhouse and pitches
- Inform members of access restrictions, distance regulations and the requirement to avoid any congregation in groups by appropriate signage
- Provide clear signage in the car park to direct visitors and outline any changes in arrangements
- Stop people parking directly beside the clubhouse
- Ensure there is a clear route to and from the clubhouse and pitches
- For competitive activity, identify parking zones for teams, officials and spectators
