COMMUNITY MEN AND WOMEN COMPETITIONS AND COUNTY

1. Introduction

- 1.1. These Competition Regulations, together with the above Schedule and any attached Annexes (together the “Competition Regulations”), set out in full the regulations that shall apply to this Competition.
- 1.2. These Regulations apply to the Competition in the 2023-24 season and are effective from 1st August 2023.
- 1.3. All matches must be played in accordance with these Regulations, World Rugby Laws and Regulations (including any variations, trials and other formats that may be adopted by the RFU) and RFU Rules and Regulations. In the event of any conflict between a provision of these Regulations and the RFU or World Rugby Rules and Regulations, these Regulations will prevail in respect of that provision.
- 1.4. Unless otherwise specifically defined in these Regulations, any definitions will have the meanings set out in the RFU Regulation 1 (Definitions) which is available on the RFU website.

Covid-19 Variations and Standards

- 1.5 In order to cater for the ongoing impact of the global Covid-19 crisis on rugby union in England (and such other infectious disease and/or public health emergency), Covid-19 regulatory variations have been agreed and put in place to ensure that, as far as possible, the regulations are flexible enough to deal with and adapt to the ever-changing Covid-19 (or other, as applicable) landscape. This flexibility needs to be balanced against the overriding objective of the RFU to deliver meaningful and authentic competition and maintain the integrity of the competition and to ensure the player welfare is at the forefront.
- 1.6 These Variations are set out in RFU Regulation 22. In the event of any conflict between Regulation 22 and these Regulations, RFU Regulation 22 will prevail.

2. Competition Organisation

- 2.1. The Competition will be administered by the Competition Organiser who shall manage the delivery of the Competition.
- 2.2. The Competition Organiser shall have discretion to decide on matters not provided for in, as well as on the interpretation of, these Regulations in the context of the Competition. This discretion shall include the interpretation of these Regulations in accordance with the underlying principles and intent (insofar as it can be ascertained) of the relevant regulation and in the interests of rugby union football.
- 2.3. Any interested party may seek clarification of any of these Regulations by submitting a question to the Competition Organiser in writing.
- 2.4. Any party affected by a decision of the Competition Organiser on matters not provided for in the Competition Regulations shall have a right of appeal against such decision in accordance with Regulation 11 below.

- 2.5. In the discharge of its responsibilities, the Competition Organiser may further delegate some or all of the powers contained within these Regulations to any individual member(s) or staff member(s) of the Competition Organiser.

3. Match Management

Squad Lists

- 3.1. If required by the RFU, before the first match of the season each Entrant will submit a squad list of players that may be considered for selection during the Competition in such form and containing such information as may be required by the RFU and the term “**Squad List**” shall be construed accordingly.

Match Cards

- 3.2. If required by the RFU, each Entrant must complete and submit a match card and/or a team sheet in such form and containing such information as required by the RFU and the terms “Match Card” and “Team Sheet” shall be construed accordingly.
- 3.3. Each Team Manager must sign the Match Card (where indicated) confirming the accuracy of the details being submitted to the Competition Organiser.
- 3.4. Each entrant must ensure that information provided to the RFU (which may include a Match Card and/or Team Sheet) is accurate and legible. Failure to submit, or late submission of the foregoing, will render an entrant liable to sanction. The provision of false or misleading information on players or replacements is a serious breach of these Regulations and may give rise to a severe penalty.

Half Game Rule

- 3.5. In respect of Age Grade Competitions, the Half Game Rule will apply to all matches in accordance with RFU Regulation 15.12. Suspected breaches of this regulation will be referred to the Disputes Committee in accordance with the process outlined in Regulation 9.2.

Matches

- 3.6. The home team is responsible for arranging the match at a suitable venue (defined as the usual home pitch, or alternative school/club/artificial pitch) for all matches with the exception of those listed in the Regulations Schedule.
- 3.7. Matches must be played by the end of the week in which a match is scheduled, as detailed by the Competition Organiser. Should this not be possible, the home team must contact the Competition Organiser to apply for dispensation to play on an alternative date.
- 3.8. The Competition Organiser retains the right to specify the date and kick-off time for any match in the Competition.
- 3.9. In all matches in the Competition, Entrants must select their strongest squad of eligible players.

Kit

- 3.10. Each team must ensure that there is no clash of colours and that all its kit complies with World Rugby Regulations.
- 3.11. The home team must change shirts in the event of a clash of colour.

4. Replacements

- 4.1. Rolling Substitutions are permitted in all matches. A player who has been substituted may later replace any player, whether or not that player has been injured (subject to Regulation 4.2).
- 4.2. Subject to 4.4 below, if on any occasion a front-row player requires to be replaced and their team cannot (for any reason, including injury, temporary blood injury, temporary exclusion following a yellow card, or permanent exclusion following a red card) provide a replacement, or another suitably trained and experienced player from the nominated squad, to enable the match to continue safely with contested scrums, the Referee, having made enquiry of and having confirmed this fact with the manager of the team (or such other person nominated by the Entrant as the person responsible for the team), the match will continue with uncontested scrums. The team concerned shall not be entitled to replace the player whose departure caused the uncontested scrums and (subject to Regulation 4.4 below) the final result will stand. On return to the field of play of the front-row player who had been temporarily excluded or injured, the Match shall continue with contested scrums.
- 4.3. In the event that a Referee decides to continue the match with uncontested scrums on the grounds of safety, because the Referee cannot safely manage the scrums otherwise, the final result will stand, subject to Regulation 4.4.
- 4.4. The Competition Organiser may review the circumstances where a match is completed with or contains uncontested scrums and in its sole discretion may impose penalties in accordance with Regulation 10, subject to the right of appeal set out in Regulation 11.
