

England
Rugby

3 KEY ROLES

Coach Developer

Increase the diversity of coaches & referees

Work across all areas of the game to provide CPD courses, training & programmes

Develop community coaches & referees through best practice & mentoring

Club Developer

Support rugby clubs to keep running & growing

Help rugby clubs increase in all aspects from volunteer base, revenue & facilities

Promote clubs to help support each other with similar challenges

CB Relationship Manager

The link between the RFU & CB's to grow the community game

A way for the CB's to access support to deliver their clubs needs & support CB committees

Feedback on the player experience to the RFU from the CB's
