7.5 Matches will be 35 minutes each way. Half-time will be 5 minutes, with both teams staying on the field of play.

7.6 Should a fifty point differential occur at any time during a match, then the referee may end the match and the result at that time will stand.

7.8 Where a match has not been played or the result of a match remains unresolved by the end of the relevant nominated week, the Organising Committee may, in its sole discretion determine the result of the match. This power will only apply to situations where the Organising Committee considers that there is no other opportunity to play/replay a match and the successful delivery of the Competition is at risk.

7.9 The Finals will be played at a venue and on such date to be determined by the Organising Committee.

- 8.3 In the interest of safety each team must have at least six players in their nominated 23 player match squad or at least five players in a nominated 22 player match squad who are suitably trained and experienced to be capable of playing in the front row to ensure that on the first, second or (in the case of a 23 player squad) third occasions (whether due to injury or consequent to a player(s) being temporarily suspended or ordered off) that a front row player is required to be replaced, the team can continue to play safely with contested scrums.
- 8.4 If on any occasion a front row player requires to be replaced and his team cannot provide a replacement or another player trained and experienced from those who started the match or from the nominated replacements to enable the match to continue safely with contested scrums, the referee having made enquiry of and having confirmed this fact with the manager of the team (or such other person nominated by the educational establishment as the person responsible for the team), the match will continue with uncontested scrums and (subject to Regulation 8.6 below) the final result will stand.
- 8.5 In the unusual event that a referee decides to continue the match with uncontested scrums on the grounds of safety, because he cannot safely manage the scrums otherwise, the final result will stand.

Organising Committee exceptionally, and in its absolute discretion, agrees or specifies otherwise.

10.1.2 Abandoned with less than 50 minutes played
