Appendix One

Place Kick Competition

If at the end of a knock-out Match, after extra-time has been played, the scores remain equal and the number of tries scored in the Match is equal, then the referee will conduct a place-kick competition to determine the winner of the Match, according to the following procedures:

1. All players and the Match Officials will remain on the playing area. The referee will call the captains of the two teams at the end of the match to the centre of the pitch and will conduct two coin tosses. The first toss of the coin will determine which team selects the end of the playing area at which all place kicks will be taken; the second toss of the coin will determine which team kicks first or second.
2. The Match Officials and the six nominated players (3 from each side) will assemble on the halfway line. All other players and team management must remain in the technical areas. No one other than the Match Officials and the participating players are allowed in the playing area or behind the posts for the duration of the kicking competition.
3. Team A and Team B will each nominate 3 kickers from the players on the pitch at the end of extra time to participate in the place kick competition.
4. Each kicker will be allocated a number i.e. Kicker 1, Kicker 2 or Kicker 3. This designation cannot change.
5. If during the place kick competition any of the 3 kickers becomes injured he will be replaced by a player who was on the pitch at the end of extra time.
6. The first phase of the competition will consist of 6 kicks from 6 positions as outlined in the diagram below.
7. Each kicker will take 2 kicks in the following order:-
 - Kicker 1 from team A and Kicker 1 from team B will each take a kick from position 1.
 - Kicker 2 from team A and Kicker 2 from team B will each take a kick from position 2.
 - Kicker 3 from team A and Kicker 3 from team B will each take a kick from position 3.
 - Kicker 1 from team A and Kicker 1 from team B will each take a kick from position 4.
 - Kicker 2 from team A and Kicker 2 from team B will each take a kick from position 5.
 - Kicker 3 from team A and Kicker 3 from team B will each take a kick from position 6.
8. If the teams are level at the end of the 6 kick competition there will be a 'sudden death competition'. All kicks will take place from position 4 and kicks will be taken in the following order:-
 - First to kick will be Kicker 1 from each team
 - Second to kick will be Kicker 2 from each team
 - Third to kick will be Kicker 3 from each team
 - Kicks will continue in this order until a point is reached where each team has taken the same number of sudden death kicks but one team has scored one more than the other team. When this point is reached the team that has scored more successful kicks will be declared the winner.
9. For the avoidance of doubt the referee is the sole judge of whether a kick has been successful. In reaching this decision the Match Referee may rely on assistance from his assistant referees and/or Television match official

Appendix Two

Substitution Protocol

1. Before the Match begins, each participating Club must advise the 4th match official of its nominee to fill in and sign the substitution cards. The nominee should be the team coach, who must be in the technical zone during the Match.
2. When a Club decides to replace a Player on the Playing Area, the Club's nominee fills in the appropriate details on the substitution card and signs it. The numbers of the Player leaving the Playing Area and the Player replacing him must be written in the appropriate box on the substitution card.
3. When a Player leaves the field of play for a bleeding/open wound, the blood box will be ticked and the numbers of the leaving Player and the replacement Player will be entered in the appropriate box. The process is repeated when the first Player returns to the field of play.
4. The sin bin box is ticked when a Front Row Player has been sin-binned and another Front Row Player has to enter the Playing Area in order to ensure non-contested scrums do not occur. The numbers of the Player leaving the Playing Area to accommodate the replacement front row Player and the replacement Front Row Player must be written in the appropriate box on the substitution card.

The card does not represent a valid request until it is signed.

5. The card is then handed to the 4th official, who will check the details and then proceed with the substitution.
6. The 4th official will add the details to his substitution form.
7. Once the card has been passed to the 4th official, a substitution is only effective when the referee signals for the Player to be replaced. A Club may amend details on the card given to the 4th official until the replacement takes place. Any amendments to the card must be authorised by signature by the Club's nominated person.
8. During a Match, each Club will receive a different colour substitution card which will be decided by the 4th official.

Appendix Three

Disciplinary Regulations

1. Procedure

The disciplinary regulations, procedures and sanctions applicable to the Competition are those set out in RFU Rules and Regulation 19, save insofar as they are amended by these Disciplinary Regulations.

2. Hearings

Players ordered-off the field of play or cited (see Annex to Appendix Three) in a Competition match will be required to attend a hearing before a Disciplinary Panel organised by the RFU Disciplinary Hearings Manager, to be heard if practicable in Bristol (unless some other venue is agreed) where possible on the Tuesday following the match.

A Player ordered-off or cited by a Citing Commissioner is provisionally suspended and may not take part or be selected for any further match until his case has been dealt with by a Disciplinary Panel.

3. Match Officials – Report Writing

Match Officials are required to forward a copy of their ordering-off report and/or their temporary suspension (yellow card) report to the RFU Head of Discipline within 24 hours of the conclusion of the match.

4. Citing

The citing procedures applicable to the Competition are set out in the Annex to these Disciplinary Regulations.

5. Totting-up, two on-field yellow cards & CCWs

- Totting-Up

A totting-up process will be established for the Competition and relate only to yellow cards awarded for illegal and/or foul play within this Competition. A Player who receives three yellow cards for illegal and/or foul play (including CCWs) in the Competition will be required to appear before a Disciplinary Panel.

An appeal against a yellow card for illegal and/or foul play is only valid where the appellant alleges that there was mistaken identity or that no act of illegal and/or foul play took place. The appeal must be lodged within 7 days of the date of the match with the RFU Head of Discipline and the appeal will be dealt with at the hearing that is subsequently arranged to deal with the totting up. Any appeal that is lodged after the 7 day period will not be valid and shall not be considered by the Disciplinary Panel.

- Two Yellow Cards in a match

A player who receives two yellow cards (for technical and/or illegal/foul play) in a match and is ordered-off the field of play will be required to appear before a Disciplinary Panel.

If one or both of the yellow cards was awarded for illegal and/or foul play, then the Player may challenge one or both of the illegal and/or foul play yellow cards at the hearing. If the Disciplinary Panel allows an appeal against one or both of the illegal and/or foul play yellow cards (i.e. mistaken

identity or no act of foul play took place) the red card shall be expunged from the player's record. There is no right of appeal against the award of a yellow card for a technical offence.

- Citing Commissioner Warnings (CCW)

A CCW issued by a Citing Commissioner is to be treated as if it were an on-field yellow card for illegal and/or foul play for the purposes of these Disciplinary Regulations.

If a Player has received two CCWs or a combination of a CCW and a yellow card (for technical and/or illegal/foul play) during a match he shall be treated for disciplinary purposes as if he had been ordered-off during the match.

Annex to Appendix Three

Citing Procedures

1. The following citing procedures apply only to incidents of illegal and/or foul play occurring during Competition Matches.
2. The RFU Head of Discipline shall appoint suitably qualified Citing Commissioners to undertake citing duties in the Competition.

5. A Citing Commissioner alone shall have the power and responsibility to cite a player for an act of illegal and/or foul play, whether or not it has been detected by the Match Officials. Any citing must be made in writing by the Citing Commissioner to the RFU Head of Discipline within 48 hours of the conclusion of the Match. This time period may be extended if the RFU Head of Discipline determines that it is in the interests of the Game to do so.
6. The RFU Head of Discipline shall forward to the cited player, via his Club, a charge setting out the alleged act of illegal and/or foul play, a copy of the citing report and any footage of the incident. Thereafter, the RFU Disciplinary Hearings Manager shall make arrangements for the hearing of the case.
7. The cited Player may request that the Citing Commissioner be available to give evidence about the incident.
8. The RFU Head of Discipline may appoint a person to present the citing if he considers it necessary to do so.
9. A Citing Commissioner may issue a Citing Commissioner Warning (CCW) for acts of illegal and/or foul play that, in the Citing Commissioner's opinion, narrowly fail to meet the red card threshold but should be brought to the player's attention. They are to be treated as an on-field yellow card for foul play for disciplinary purposes.

10. The following administrative fees will be payable by the Club to the RFU in accordance with these Disciplinary Regulations:

Disciplinary Hearings - £250 (£100 if dealt with on the papers)

Appeals - £250 (£100 if dealt with on the papers)
