2. COMPETITION ORGANISATION

- 2.1 The Competition will be organised by the RFU.
- 2.2 Each season an Organising Committee of three will be established to manage the successful delivery of the Competition.

- 3.3 The Organising Committee will carry out the draws to determine which teams play each other in round 1. When conducting the draws, every reasonable endeavour will be made to minimise travel. In all rounds of the Competition the first-named club in the draw is the home club and the second-named club is the away club, irrespective of where the game is actually played.

- Round 1 – October 20/21
 - Round 2 – November 17/18

- 4.3 A squad of up to 22 players (15 starting players and 7 substitutes) can be registered for each match.

Fixture dates and kick off times

- 4.4 Apart from the Final, all match dates and kick off times are to be determined by the home club and agreed by the away club. In the event of a dispute or failure to agree, the match date and kick off time shall be determined by the RFU.
- 4.5 Apart from the Final, the home club is responsible for arranging the fixture at a suitable venue (defined as the usual home pitch, or alternative school/club/artificial pitch).

- 4.6 The RFU will determine the date, kick off time and venue of the final. Notwithstanding any other provisions of these Regulations, the RFU shall have the absolute right to select or alter the proposed date or kick-off time.

Drawn matches

- 4.7 In the event that the scores are level at the end of a match, the winner of the match will be the club that has scored most tries. If this does not produce a winner, the club that has scored the most goals from tries will proceed to the next round. If this still does not produce a winner the away club shall proceed to the next round.
- 4.8 In the Final if scores are level at the end of the match, the following order of events shall be applied in order to determine the winner of a drawn match: number of tries, number of conversions from tries, first try, first points. If this does not produce a winner, the title will be shared.

Failure to fulfil a fixture

- 4.10 If ground or weather conditions prevent a match being played at the grounds of either club, (or neutral venue) it may be re-scheduled by agreement between the two clubs and the RFU Competitions (Development) Department. In the event of the clubs being unable to agree to a revised date, the RFU Competitions (Development) Department may specify the date on which the match is to be played or award the match to one side or the other, dependent on the circumstances of the postponement. A re-scheduled match must be played before the due date of the next round of the Competition.
- 4.11 If a match is abandoned because of weather conditions (including bad light) when fifty or more minutes have been played, then the score at the moment of abandonment shall stand and be deemed the final score in the match. The Referee's decision as to the necessity for abandonment and the number of minutes played at the moment of abandonment shall be final.
- 4.12 If the Referee finds it necessary to abandon a match for any reason other than weather conditions (including bad light), irrespective of the number of minutes played, the result of that match shall be reviewed by the Organising Committee. The Organising Committee may order the match to be replayed and/or impose such other sanction as it deems appropriate. The Referee's report must be submitted on why play was curtailed.
